Study Marine Biology and Island Ecology

02 | Experiential Science

Utilizes hands-on labs and equipment

03 | Growth

Personal and emotional growth; independence

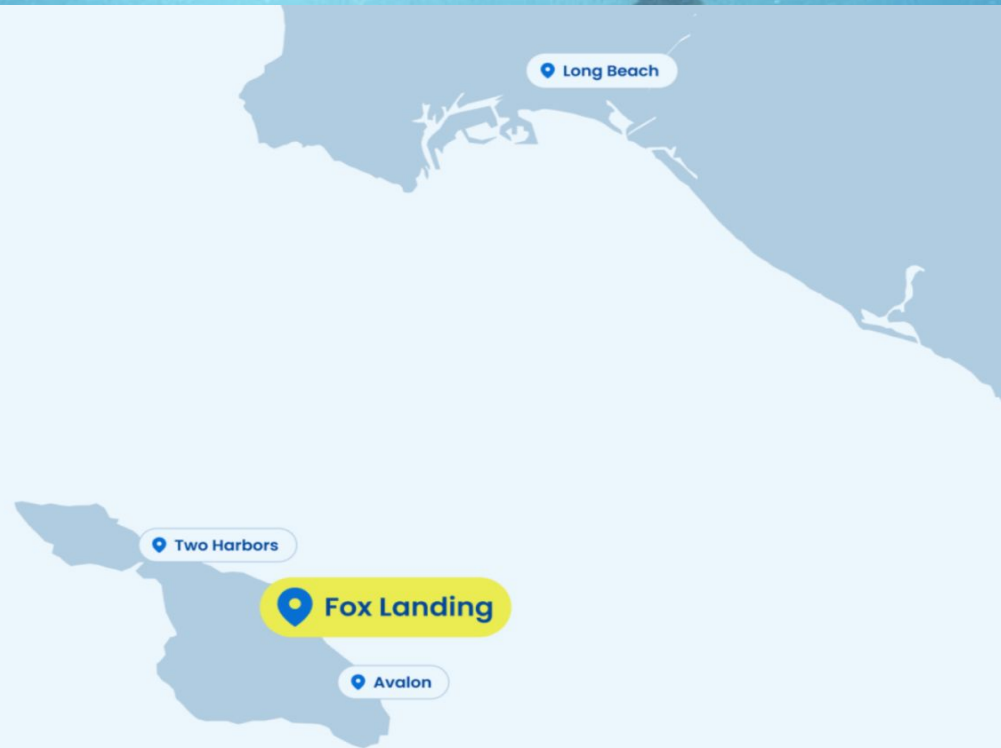

04 | Environment

Beautiful, natural land and sea environments of Catalina

Fox Landing

Welcome to Fox Landing

Tucked inside the protection of Long Point just 5 miles from Avalon, Fox Landing is the perfect place for exploring the ocean. This vibrant facility sits in a private cove facing the mainland of California. Although only 26 miles off the coast of Los Angeles, it will feel like a whole other world!

CIMMI

Camp Housing

Comfortable cabins and bath houses provide guests with spaces to clean up, share favorite experiences with bunkmates, and get some shuteye in preparation for the next action-packed day.

Camp Dining

Food fuels the experience! Our experienced chefs work hard every day to provide an outstanding and delicious camp dining experience by serving three nutritious, tasty meals daily to guests in our dining hall.

**Don't Pack
MORE
THAN your
child can
carry!**

Cost

An underwater photograph showing three dolphins swimming in clear blue water. Sunlight filters through the surface, creating shimmering patterns on the water. The dolphins are positioned in a diagonal line from the upper right towards the lower left.

Estimated \$430 per student

Fundraising options available

Fundraising & PTA Scholarships

All profit from the Fall PTA Fundraiser is donated to the cost of your student's total fees. In addition, partial PTA scholarships are available as well. We want every child to participate!
